WHEREAS, the Property Owner desires to utilize the stream corridor in accordance with the Stream Corridor Plan as shown on Exhibit A.

WHEREAS, in order to insure the proper and adequate maintenance of the natural stream preservation corridor in compliance with legal requirements, it is necessary to establish binding covenants, conditions, and restrictions applicable to the Property, and

WHEREAS, the Property Owner does hereby establish the following regulations, stipulations, easements, covenants, conditions and restrictions pursuant to Chapter 18.365 of the Overland Park Municipal Code, on the Property:

- 1) The Property Owner shall provide and is responsible for all maintenance of the designated stream corridor as shown on the Property, including, without being limited to, the stream bed and all existing and future bank stabilization measures, in order to insure that all such facilities remain in proper working condition in accordance with approved design standards and all applicable legal requirements.
- 2) The Property Owner agrees to actively pursue measures to prevent unauthorized activities pursuant to Chapter 18.365 of the Overland Park Municipal Code which interfere with the preservation of the stream corridor.
- 3) The Property Owner will remove obstructions and excessive silt deposits within the stream corridor which might cause flooding of buildings, roadways, or other properties.
- 4) Permanent storm drainage and temporary construction easements, if required by the City in the future, shall be dedicated at no cost to the City.
- 5) The Property Owner shall indemnify and hold the City harmless from any and all damage, loss, claims or liability of any kind whatsoever arising from the installation, maintenance, repair, operation or use of the stream corridor or any facilities related thereto, including, but not limited to, any loss occasioned by reason of damage or injury to persons or property which may occur. In addition, the Petitioner shall pay all costs and expenses involved in defending all actions arising there from.
- 6) It is understood by Property Owner that the City of Overland Park is under no past, present, or future obligation to expend public funds or take any other action whatsoever to maintain or improve the storm drainage system in the stream corridor. any provision hereof as to any other Owner.

- 7) If, after reasonable notice to the Property Owner, the Property Owner shall fail to maintain the stream corridor as set forth herein and other applicable legal requirements, the City may perform all necessary repair or maintenance work, and the City may assess the Property Owner and the Property, for the cost of the work and any applicable penalties. For the purposes of this document, "reasonable notice" shall consist of 30 days prior written notice sent to the Property Owner, unless there are exigent circumstances requiring either immediate or shorter response than said 30 days would provide, in which case the notice provided shall be whatever is reasonable under those circumstances. - 8) While other provisions of this document may allow the City to take certain actions to enforce the terms of this document, it should be understood that the City has no duty or obligation to enforce those other provisions by entering the Property and performing maintenance or clearing obstructions within the stream corridor and assessing the Property Owner for reasonable expenses incurred performing this maintenance or taking any other action to enforce the terms and conditions set forth elsewhere in this document.

- 11) The Property Owner agrees to limit uses of the stream corridor to those as shown on the Stream Corridor Plan shown on Exhibit A.

These covenants and agreements as set forth herein, fully executed, shall be filed with the Register of Deeds in Olathe, Johnson County, Kansas, and the filing of the same shall constitute constructive notice to all heirs, successors, transferees, and assigns of the Property Owner of these covenants and agreements running with the land and notice of all stipulations made thereto. This document may not be amended or modified in any way without the prior written approval of the authorized officials of the City of Overland Park, Kansas, and that approval must be indicated on the face of any subsequently recorded document amending or modifying this document.

Notwithstanding other provisions of this document placing rights, duties, obligations and responsibilities on the Property Owner, as that term is defined herein, those rights, duties, obligations and responsibilities shall only be exercised or enforced in the following manner: when the property is owned by the current owner, or by a succeeding developer, those requirements shall only be exercised or enforced by or against those legal entities. The City, at Property owner's cost, shall cause this agreement to be filed with the Register of Deeds of Johnson County, Kansas. Each party hereto shall receive a duly executed copy of this agreement for its official records.
